

**NOTICE OF INTENT
FUNGAL FORAY MAY 20-24 1992**

We are hoping to organise another fungal foray for 20th to 24th of May 1992 (Wed-Sun) at the Lions' Lodge at TANGIHUA near Whangarei. We have booked this modern, well-equipped facility which will cater for 50-60 people, but we must have 20 to make the trip viable. If you wish to attend please send a deposit of \$25 per person to

LAWRE TAYLOR at 805 Riddell Rd
St Heliers Bay
AUCKLAND 1105

by the first of December 1991 in order to secure a place. Please return a form with your cheque. If there are not sufficient confirmed bookings by then, we will unfortunately have to cancel.

Tangihua is a Conservation Forest Park 35km from Whangarei off the Taurarua Rd. Transport will be organised to ferry participants from the bus or the airport.

Microscopes will be available and there will be adequate bench and work space. There are several vegetation types in the area, mixed Northern podocarp and kanuka, kauri and mangrove, and a varied programme is planned.

Please reply as soon as possible. We look forward to hearing from you to make this event a success.

HISTORY

The Lodge was a major project for the Mid-Western Lions Club from 1984 to February, 1988. The work has taken thousands of man-hours, from early beginnings of planning through to the final details of completion in the summer of 87/88.
